SAFETY DATA SHEET

Meshups®

1. Identification:

Trade Name: Meshups® (Flexible plastic chair to support wire mesh)

Chemical Family: Polyethylene

2. Hazard Identification:

Effects of Acute Over Exposure: None Determined

Effects of Chronic Over Exposure: None Determined

Carcinogen Potential: None Determined

3. Composition/Ingredients:

Polyolefin

Ingredients are non-hazardous under Hazard Communications Standard
29CFR1910.1200

4. First-Aid Measures:

Inhalation: The material is not expected to present an inhalation hazard.

Eyes: The material is not expected to present an eye hazard.

Skin: The material is not expected to present a skin hazard.

Ingestion: No adverse health effects expected from ingestion.

5. Fire and Explosion Data:

Flash Point: >650 DegF

Auto Ignition Temperature: >650 DegF

Phone: 225-927-9550/1-800-535-8375**

6. Accidental Release Measures:

Not Applicable

7. Handling and Storage:

No special handling procedures is necessary
Storage to follow good housekeeping practices

8. Exposure Controls/Personal Protection:

No special personal protective equipment required

9. Physical and Chemical Properties:

Appearance and Odor: Odorless
Solubility: Insoluble in water

10. Stability and Reactivity:

This material is stable

11. Toxicological Information:

This material is nontoxic.

12. Ecological Consideration:

13. Disposal Information:

Disposal in accordance with Local Regulations

14. Transport Information:

Regular bulk transportation is recommended

15. Regulatory Information:

This material is not regulated by D.O.T.

The material is on the TSCA Inventory

This material is not subject to specific CERCLA reporting requirements
